DATE II/10/77

Tom:

in anticipation of what I'm now certain
will be Harold's displeasure what my
well-intentioned desire to give him full
credit please find enclosed a revision
of my drawing #89 which supercedes the
one I sent you on the 8th ..
this puts the info where it belongs and
the 'blame' onto me where it belongs and
if anyone takes the time to look back
to your Oct '75 issue they will find
where the real credit belongs in the first
place ..

I hope this clears everything up and I
regret having caused any ructions ..
